MEDIA RELEASE

ORTON BRADLEY SPRING FAIR THIS SUNDAY, 26 OCTOBER 2014

The Orton Bradley Spring Fair this Sunday 26 October is showcasing some of the best products and services Christchurch and Canterbury has to offer.

This year promises to be bigger than ever with over fifty stalls, as well as being a key part of the Beca Heritage Week with demonstrations of heritage machinery.

Fair highlights include live music all day, animals and activities for the children, Devonshire tea, food and wine stalls - as well as the famous rhododendron garden in full flower.

Lyttelton Port of Christchurch (LPC) is supporting the Orton Bradley Spring Fair with sponsorship for the fourth consecutive year. The sponsorship is part of LPC's ongoing commitment to the local harbour community whilst encouraging other Christchurch residents to visit and support businesses in the area.

LPC is also a key sponsor of the Diamond Harbour Sculpture on the Point and Live on the Point festival that is held over summer at the Godley House site.
