On Wednesday 27<sup>th</sup> and Thursday 28<sup>th</sup> April a section of the road by the Empty Container Yard at the eastern end of the Lyttelton Container Terminal will be resurfaced.

As a result of the works, this section of the road will be reduced to one lane for two days. The area of the works is shown in the images below.

Traffic management will be in place and whilst LPC does not expect traffic congestion we ask all Port Users to take extra care when in the area.
