**IMPORTANT NOTES:** Costs are based on the information provided to the Terminal on this form; should the information or services requested differ in any way LPC reserves the right to amend pricing accordingly. Along with planning time & equipment, all unit lifts/handling have a health & safety aspect to them, as such undeclared or misdeclared unit size/weight may attract an Oversize penalty charge. Oversize delivery/uplift appointments must be arranged in advance with LCT Ops. Devanning requests must be made separately to this cost request.
